**NATIONAL  
SAFETY  
MONTH** 2014

### June is Safety Month

Virginia Tech's safety program depends on spotting hazards early, evaluating their risk and removing or controlling them before harm is done.

Use this June to find creative ways to reduce risk in our community. A little effort today has the potential to prevent tragedy tomorrow.

### Focal Points for 2014

- Slips, Trips & Falls*
- Distracted Driving*
- Heat Exposure*
- Outdoor Safety*

Times listed represent the start time. All Classes listed are in the EHS Classroom.  
Training calendar subject to change. Check the EHS Web Site for the latest information.

### Environmental Health and Safety

675 Research Center Drive (0423)  
Blacksburg, VA 24061

540-231-3600

### Summer Means Construction.

Many major building construction or renovation projects and numerous grounds projects will be underway over the summer. Be aware of heavy equipment as it moves around campus, and respect fenced or barricaded areas. Coordinate safety programs such as traffic control and lockout - tagout with contractors as necessary.
